We will reserve your child's spot in our program – even when he/she does not attend. Therefore, payment is expected each month your child is enrolled, regardless of attendance. We have calculated the annual fees needed to operate our program and determined a monthly rate based on the number of school calendar days. Monthly tuition will be the same regardless of the number of holidays, teacher planning days, inclement weather days, etc.

***Please see reverse for After School rates for VPK – 5th Grade.**

Therefore, payment is expected for each month your child is enrolled, regardless of whether or not he or she attends every day. We have calculated the fees needed to operate our Program for the year and determined a monthly fee based on the number of school calendar days. Monthly tuition will be the same regardless of the number of Holidays, Spring Break, Teacher Planning Days, and unforeseen school closures due to hurricanes or other natural disasters. The After School Program will be open for All Day Care on Teacher Planning Days, Holidays, Spring Break and Winter Break as long as we meet the minimum sign up of 20 students. Parents will be given a time period to register their child for each All Day Care being offered. After the registration period is over...there is a \$10 late registration fee as long as space is available.
